- RULE 33.1: The Committee must establish the conditions under which a competition is to be played. The Committee has no power to waive a rule of golf.
- RULE 6.2.b The competitor must ensure that his handicap is

recorded on his scorecard before it is returned to the Committee. If no handicap is recorded on his scorecard before it is returned (Rule 6.6b), or if the recorded handicap is higher than that to which he is entitled and this affects the number of strokes received, he is disqualified from the competition, otherwise the Score stands.

- NOTE: It is each player's responsibility to know the correct hole index at each hole when marking their card.
- RULE 6.6.a Recording the Scores
After each hole, the marker should check the score with the competitor and record it. On completion of the round, the marker must sign the score card and hand it to the competitor. If more than one marker records the scores, each must sign for the part which he is responsible.

Timesheets for Competitions:

Timesheets for weekly competitions open at 10 am on the preceding Friday morning. Tee times can be booked online through Knightsbrook Golf Club internet Tee Reservation Service on our website www.knightsbrookgolfclub.ie

This service allows members to book a tee time over the internet and get instant on-screen and email confirmation of their booking. This booking service is an integral part of the club's live computerised booking system, hence tee time availability is accurate and up to date to the second from anywhere in the world. Competition tee times can also be booked by contacting the Golf Shop on 046 9482102 (but not before 10am). An online waiting list is now available for all weekend competitions. Timesheets for all major competitions will open 15 days in advance.

Knightsbrook Golf Club Competition Rules 2018 continued:

- Before commencing your round please complete the following steps: 1. Pay the entry fee in the Golf Shop. 2. Enter the competition on the computer. On completion of your round, enter your score in the computer and then put your signed scorecard in the slot for scorecards beside the computer monitor.
- Players are responsible for the proper return of their scorecards. This card should have the date, competition details, handicap, signature and the gross score for stroke play, four-ball, foursomes and preferably the points filled in for each hole to assist in the efficient processing of cards.
- Players who do not return their score cards after competitions. This impacts on the CSS calculation and effects all players' handicap adjustments. Clauses 23 and 24 of the UHS gives Handicap Committee's discretion to deal with players who persistently submit incomplete cards or make Non>Returns if it considers they are attempting to build a handicap. (Pg. 85 CONGU Unified Handicap System). Players failing to return scorecards on completion of their round cause

the Handicap Committee additional work and the club would be entitled to suspend a player's right to compete in club competitions for a specified period or for more persistent offences suspend his handicap for an appropriate period. (Clause 17 Dec.1 (p) CONGU Unified Handicap System). The Handicap Committee of Knightsbrook Golf Club has decided that failure to return 3 cards will result in disciplinary action by the committee under the appropriate clause.

- Golfing Union of Ireland Rules regarding Amateur Status applies in all competitions.
- Failure to enter your score in the computer for singles competitions may result in disqualification unless in the exceptional case the computer was out of order, and the player indicates this on his scorecard.
- Members must ensure that scorecards are signed by a fellow member of Knightsbrook Golf Club in all members' competitions.
- Players are also responsible for checking the details of conditions of play on club notice board prior to competitions.
- Members must make every effort to ensure that their playing partners are not discommoded by late withdrawals. Late withdrawals and or failure to inform Competitions' Committee in good time are not acceptable and the Committee will apply the "No Show Policy".
- Members who are noted to be regular "no-shows" or who are habitually late for their tee time will receive the following sanctions:
 - Their name will be placed on the "No Show List" in the clubhouse and will remain there for one month.
 - Should they persist their name will be posted for another month.
 - If necessary, thereafter suspension of handicap will apply.
 - Please avoid slow play. The Competitions Committee will monitor all reports of slow play.
 - If a match fails to keep its place and loses more than one clear hole on players in front, it should allow the match following to pass. Players in a competition shall have precedence both in starting and through the green over players playing ordinary matches.

Prizes and Presentations:

- Prize-winners are asked to attend Presentations or make suitable alternative arrangements for prizes to be collected at

the presentation.

- Where a prize winner cannot attend at presentations, arrangements should be made for the attendance of a substitute representative and should be notified in advance to the Committee.
- Prizes not collected within 21 days of competition will be redistributed at the discretion of the Competitions' Committee.
- Open Draws

All G.O.Y Competitions will be an open draw. Each draw will take place 48 hours prior to competitions. All members must play within the designated club competition times.

Request by members for specific times (within competition times) must be made to the competition committee at least 24 hours prior to draws. Once the draw is posted, no changes can be made by individual members. **(Any unauthorised changes will result in disqualification from the competition).**

Course Usage and Etiquette:

- Replace Divots on the fairways. Repair Pitchmarks on the greens. Rake Bunkers at all times.
- Be ready to play at least 10 minutes before your appointed time.
- Do not waste time on tees boxes, have your club, tee and ball ready when your turn comes to play.
- On the fairway have your club selected and your shot lined up, while your partners are playing their shots, if possible.
- Park your clubs /caddy car at the exit side of the green for easy access to the next tee.
- Do not mark cards around green — mark them on the next tee box.
- Caddy cars/buggies must be kept well away from tees and greens and bunkers.
- Players searching for a ball should signal to let players through as soon as it becomes apparent that the ball will not be easily found.
- They should not continue play until the players have passed and are out of range.
- Slow play is not acceptable. Keep up with the players in front, not ahead of those behind. The committee will, if necessary,

contact or write to constant offenders.

- It is mandatory to let the following group play through if you have lost a hole on the group ahead.
- Mobile phones are not permitted on the course except in the case of emergency.
- Appropriate Dress
Both the Men's and Ladies Committee of Knightsbrook Golf Club are anxious that standards of dress are maintained at a high level, particularly in the clubhouse, on the course and practice areas. To this end, the Committee seek the full co—operation of all members and their guests to ensure that appropriate dress is worn at all times.
- Please note that members have a responsibility to ensure that their guests adhere to the dress code regulations while in the clubhouse or on the course. The following items are unacceptable: • Denim jeans/jackets (not acceptable on the golf course) • Untailored Shorts • Tracksuits • Trainers / Running Shoes • Collarless & Sleeveless Shirts • Tee Shirts • Football & Rugby jerseys. Trousers must not be tucked into socks.
- The management and staff of Knightsbrook Golf Club have been asked to draw these regulations to the attention of those persons who are unsuitably dressed. It is expected that the implementation of this code will be affected with courtesy and common sense.
